

## Green list countries

International holiday destinations from 17 May 2021

DESTINATION	OPEN TO UK LEISURE TRAVELLERS	DETAILS
Portugal	✗	Travel is currently restricted to residents and those travelling for essential purposes. This is expected to change at the end of May.
Israel	✗	Open to vaccinated UK tourists from May 23, but only as part of an organised tour group. Individual tourists may be welcomed back from July.
Singapore	✗	Travel from the UK is limited to Singapore citizens and permanent residents.
Australia	✗	All international travel on hold until 2022.
New Zealand	✗	Border closed to UK travellers.
Brunei	✗	Travel is severely restricted, and visitors need special permission from Brunei's Prime Minister's Office.
Iceland	✓	All visitors must provide proof of a full COVID-19 vaccination or documentation of prior COVID-19 infection. Additionally, all visitors are required to complete a pre-registration form prior to visiting Iceland as well as an on-entry quarantine until a PCR test is taken and a negative result is proven.
Gibraltar	✗	Entry is restricted to residents of Gibraltar, registered Gibraltians, Spanish residents and nationals transiting to Spain, and people traveling to Gibraltar for work.
Falkland Islands	✗	Tourists are not currently allowed to visit.
Faroe Islands	✗	The UK is currently on Denmark's Orange (Amber) list, and non-essential travel is not recommended.
South Georgia & the South Sandwich Islands	✗	Access is restricted and visitors require a permit.
St Helena	✓	Foreign nationals can visit, providing they have had a negative COVID-19 test result within 72 hours of departure. A 14 day quarantine is compulsory.
Tristan da Cunha & Ascension Island	✗	Tourists are not currently allowed to visit.
